### A MESSAGE FROM THE FRIENDS OF THE HAUPPAUGE PUBLIC LIBRARY

As many of you know, we are a nonprofit organization, and we were created to help enrich our Library's value to the community by offering additional services not included in the Library's already-extensive programming and materials.

The Library's farsighted staff and Board of Trustees are in the process of redesigning the Library's services to meet the 21st-Century needs of all of you, whether or not you currently frequent the Library. That is exactly what we wish to do, and we have formed a focus group to evaluate how the Friends organization might best supplement the Library's efforts.

Which brings us to the point of this message: Regardless of whether you are a Friends member, please take the time to let us know of any ideas you have regarding possible future Friends' activities, either by leaving a note for us at the Library's front desk or by emailing those ideas to haupfriend@gmail.com. And Friends members not currently part of the focus group are welcome to join!

Next general meeting of the Friends: Monday September 12 at 1 p.m., at the Library.
