Dear Fellow Residents,

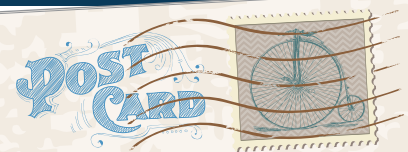

Our new space at 1373 Veterans Memorial Highway is nearing completion. We expect to take over the space in March. We will need some time to set up furniture, computers and then move our collections, desks and technology. Once those things are done, and we may need to close for a week or so to move those things and set up, we will have a grand opening.

We have penciled some dates in our calendar of when the Library will close at 601 Veterans and then reopen at 1373 Veterans, but until we have more information from the property owner and have taken possession, it is for our own planning. Once we know, we will be mailing a post card to all residents regarding the exact days of closure and reopening. We will also send emails, post on social media and post signs.

The staff and Board of Trustees are excited to be in the new space and cannot wait for everyone in Hauppauge/Islip to come and enjoy what we have planned. If you have any questions, please contact the Library Director, Matthew Bollerman at matthew@hauppaugelibrary.org or 631-979-1600.

Sincerely,

The Hauppauge Public Library Board of Trustees
