

FOR iOS & ANDROID DEVICES

Freegal is a downloadable music service from your library. All you need is your Hauppauge Library card and PIN. Freegal offers access to about 15 million songs, including Sony Music's catalog of legendary artists. There is no software to download, and there are no digital rights management (DRM) restrictions.

Hauppauge Library cardholders can download 5 songs a week and stream 3 hours of music daily.

Getting Started

- Search for "**Freegal Music**" in the App Store (iOS devices) or Google Play Store (Android devices).
- Install the app on your device.
- Find your library by typing in **11788** and selecting Hauppauge Public Library.
- Enter your **library card number** and **PIN** (your PIN is your library card password), then click **Log In**.

Browsing and Searching

- The **home** screen of the Freegal app features popular albums, songs and artists, as well as playlists.
- To **browse** for music, tap on the **Browse** icon (a music note) at the bottom of the screen.
- To **search**, tap of the **Search** icon (a magnifying glass) at the bottom of the screen.
 - Enter the artist, album or song you would like to listen to in the search bar

Downloading

- You receive **5** downloads every week, beginning on Monday.
- To **download** a song, click on the **3 stacked dots** to the right of the title and select **Download**.
 - Videos use **2** downloads.
 - Remember, downloading requires an internet or data connection. Data service charges will be applied based on your provider and contract. No data charges will be applied if you are connected to WiFi.
- To access all the music you have downloaded to your device, tap on the **My Music** icon (a person) at the bottom of the screen.
 - To play your music, tap on the **▶ arrow on the album cover** of the song you'd like to hear.
 - You can also press the blue **Play** button to begin playing your entire list of songs.
 - There are options to **Shuffle** and **Sort** your songs as well.
- If you would like to transfer music from your device to your computer, instructions are available in the FAQ section of the Freegal website.
 - Visit <https://hauppaugelibrary.freegalmusic.com>
 - Click on the 3 dots in the upper right corner, then select FAQ

(continued on other side ->)

Streaming

- You can **stream 3 hours** of music **daily**.
- To stream a specific **song**: Tap the **▶ arrow on the album cover** to begin streaming.
- To stream an **album**: Tap **Stream** to play the entire album in order. **Shuffle** and **Sort** are also available.
- To stream a **playlist**: Tap **Stream** to play the entire album in order. **Shuffle** and **Sort** are also available.
- Remember, streaming requires an internet or data connection. Data service charges will be applied based on your provider and contract. No data charges will be applied if you are connected to WiFi.

Create Your Own Playlist

- Tap on the **3 stacked dots** to the right of the song you'd like to add to your playlist.
- Tap **Add to Streaming Playlist**
- Choose **Create Streaming Playlist** to begin a new playlist.
 - Enter a **Name** and **Description** and tap on **Create**.
- To add to an existing playlist, choose from the list that appears.
- Your playlists are kept in **My Music**.
 - Click on the **My Music** icon (a person) on the bottom of the screen.
 - Click on **Playlists** from the blue menu bar at the top.

Questions?

Hauppauge Library cardholders may sign up for a one-on-one **Technology Tutor** appointment. Complete a form at the Information and Research Desk, and we will contact you to schedule an appointment.
