

Hoopla is a digital service that allows you to borrow and stream ebooks, audiobooks, comics, music and movies for FREE with your Hauppauge Library card!

Hauppauge Library cardholders can borrow 12 items each month.

Getting Started

- Search for “**Hoopla Digital**” in the App Store.
- Install the app on your device.
- Tap on **Sign Up** to create your account.
- Enter your **email address** and **password** (enter each twice).
- **Allow** the app access to your location.
- Select **Hauppauge Public Library**.
- Enter your **library card number**.

Browsing

- Tap the icons at the bottom of the screen to **browse** for:
 - **Videos** (a TV) - once selected, you can toggle between **Movies** and **Television** at the top
 - **Music** (a music note)
 - **Books** (an open book) - once selected, you can toggle between **Audiobooks**, **Ebooks** and **Comics** at the top
- Sort tiles according to **recommended**, **featured** and **popular** titles.
- **Search** by tapping on the **Search** icon (a magnifying glass) at the bottom of the screen and entering the title, artist or series in the search bar.

Borrowing & Streaming

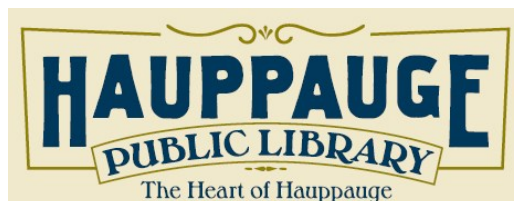

- You may borrow **12** items each month. This will reset on the first day of the new month.
- To **Borrow**, tap on the cover image and then tap on **Borrow** again.
 - Different types of content will have different return dates: **Movies and TV can be borrowed for 3 days; music can be borrowed for 7 days; audiobooks, ebooks & comic can be borrowed for 21 days.**
 - Titles will be returned and removed from your device automatically at the end of each lending period.
 - To find the titles you borrowed, tap on the **My Hoopla** icon (a house) at the bottom of the screen.

(continued on other side ->)

- Tap **Play** or **Read** to begin streaming immediately.
 - Remember, streaming requires an internet or data connection. Data service charges will be applied based on your provider and contract. No data charges will be applied if you are connected to WiFi.
- To download a title for offline use, tap **Download to your device**.
