The Friends of the Hauppauge Public Library asks: What can we do for you?

Years ago the Friends of Hauppauge Public Library was organized to help the Library (HPL) serve our community. Our organization supplemented HPL's extensive offerings with reading and photography contests, concerts, trips, all sorts of festivals and sales events ... you name it.

Then, a pause, while HPL's wonderful new space opened for business this past Spring and even more extensive services established and planned for the near future.

Now it's time for the Friends to choose activities, and we've begun discussing possible programs ... some old, some new ... such as scholarships, nature walks, opera and historical site trips, social issues speakers, book sales. ***What we really need, though, is for you to tell us your ideas, what you'd really want for you and your family,*** whether it be at HPL or off-site, free or fee. All we're asking is for you to share your idea(s) by emailing us at hplfriends8@gmail.com. And as usual at this time of year, we hope that you'll consider joining us as a Friends member.

The Friends of the Hauppauge Library Invite You to Join or Renew Your Membership.
