

Mission

Inspiring our community to learn, grow, and connect.

Vision

Building meaningful connections and opportunities.

Values

Inviting

We welcome the community in an engaging, genuine and meaningful way.

Kind

We are friendly, compassionate and considerate of all guests.

Inclusive

We celebrate the multiple viewpoints and cultural identities of our diverse community.

Respectful

We treat everyone with dignity and mutual understanding.

Integrity

We are professional, accurate and helpful.

Strategic Priorities and Goals

Ensure guests have a great experience

Continue to ensure guests are satisfied with their visit.

Expand opportunities to surprise and delight guests.

Guest experiences lead to word-of-mouth recommendations.

Support student success

Students feel the library cares about them as learners.

Students utilize library's opportunities to support continuous growth and curiosity.

Create more opportunities for community gatherings

Community has stronger identity through shared experiences.

Individuals connect with others in community.

Expand the library's presence in the community

Community finds value in convenient, accessible public library service.

Community organizations regard the library as a trusted partner with resources vital to success.

Improve the sharing of community-based information and events

Community is more informed and participatory.
