

# FREEGAL PLAYLISTS

## Teen Volunteers Grades 6-12

The Hauppauge Library has a subscription to a great music sharing service called Freegal. Through this site, we have the ability to make playlists for our community and we were hoping to get your input to make some new playlists.

### HOW TO COMPLETE THIS PROJECT:

1. Go to the Library website  
<https://hauppaugelibrary.org/>
2. On the blue bar, hover over Stream & Download, click on Music, then click on the words Freegal Music (This will take you to the Freegal site.)
3. Think of 2 songs for each of the following categories:

Winter songs

Spring songs

Summer songs

Fall songs

4. Search the Freegal site for each of the songs you think of and as long as it's in their database we can use it in our final playlist. (Make sure they are clean/non-explicit lyric versions.)

\*You don't need a library card to search the site.

5. In the Google form on our website, enter all the fields of information, which includes your contact info, as well as: 1) the song titles, 2) the artists, and 3) the length of the songs.

Teens will receive one (1) hour of community service for eight (8) song suggestions. Maximum credit for this project is one (1) hour, which equals eight (8) song suggestions.

You can do this project once per newsletter season:

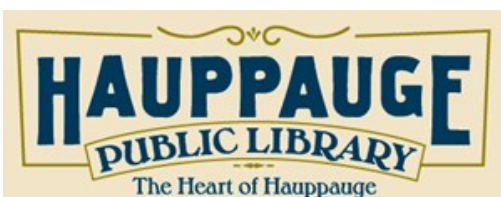

Winter (Dec/Jan/Feb);

Spring (Mar/Apr/May);

Summer (Jun/Jul/Aug); Fall (Sept/Oct/Nov).

You will receive a certificate of completion from the Library within 5-7 days after submitting the Google form.

By the way, if you have a Hauppauge Library card, you can stream and/or download music for free for yourself using the Freegal site. If you have a card from another library, check with home library to see if they have a subscription to Freegal.
